

## Health Form Instructions for 1<sup>st</sup> Time Campers Whose Siblings Have Already Attended a Young Life Summer Camp

This year, all registration for Saranac begins with submission of the online health form. Payment is NOT necessary at this time. But it is important that the health form be completed no later than **Saturday, February 29** in order to receive the maximum discount. The online health form **must be completed by a PARENT**, but the student ("camper") may assist his or her parent in completing the form.

1. Go to this website → **health.asianyl.info**
2. You should already have an account from a previous year when a different child of yours attended. Please enter your username and password in the appropriate boxes. (*If you forgot your username and/or password, click the "Forgot Username or Password?" link and follow the instructions.*)
3. After successfully logging in, the next screen will say "**My Health Forms**" in green at the top. **Do NOT click "Create New Form."** Instead, you should see the health form(s) you created for a previous Young Life camp trip (like Saranac) in the table. Click on the blue "Make a Copy" button in on the right from the most recent previous camp trip. By clicking this button, you will be copying information from the previous form to this year's form. A pop-up window will appear, asking, "**Would you like to copy this form for.**" Select "**Another family member.**" Then click the blue "Make a Copy" button.
4. The next screen will ask for a "Registrant ID." Click the blue "**Don't have a registrant id?**" button.
5. A pop-up window will now appear asking you to choose a signature. If you see a pop-up window asking you to choose a signature, please be sure **THE NAME OF THE PARENT IS ENTERED IN THIS BOX!** (*Your child's name must NOT be used as the signature!*). If the parent's name is not shown in the box, then enter a PARENT'S name in the space now. When finished, click the blue button that says, "**Use this signature on the following pages.**"
6. "Page 1 - Camper Information" will now appear. Enter your CHILD'S first and last names in the appropriate boxes.
7. The "Home Area" should already say "**NJ68 - Asian Young Life.**" (*If it does not say "NJ68 -Asian Young Life," click on the link, then a pop-up window should appear, and then enter "NJ68" in the box that says, "Enter Area Number." Choose "NJ68 - Asian Young Life," and then click on the blue "Select" button.*)
8. Where it says "Camp," select **Saranac Village**.
9. Where it says "Guest type," select **Camper**.
10. Where it says "Select a camp session/week," select **7/26/2020 - 8/1/2020**.
11. After doing this, click "**Save and Continue**" (or "**Finish Later**" if you do not have time right now).
12. Continue completing ALL 10 sections of the health form. Most information should already be completed for you based on what you entered on your child's form for a previous camp trip with Asian Young Life, but please pay attention to any red highlighted sections that still need to be completed.
13. Wherever you see a blue "Sign" button, simply *click* the blue "**Sign**" button, and your signature will appear.

### Page 4 - Health Care History

For this section, you must provide all of the required immunization information. You can skip this information for now by checking the option, "Applicant will bring a paper immunization record (e.g: from physician) to camp." Or if you have the time, you can enter this data directly in the online form OR you can upload a paper copy of your child's immunization records by scanning the document or taking a picture of it.

### Page 5 - Health Care Recommendations

Please enter the name and phone number of your family physician. Also be sure to answer Questions 1, 2, and 3 on this page. Please note that for *most* students, the answers to Questions 1 and 2 in this section should be "No" (*unless your child does, in fact, have a medical concern, in which case you should select "Yes"*). Make sure you list any medication your child takes along with any allergies or dietary restrictions. Please note that it is NOT necessary for you to provide your child's blood pressure; you can leave that blank if you do not know it.

Please submit the health form electronically no later than **Saturday, February 29**. If you have any problems or questions, please email us at **ayl@asianyl.org** or TXT/call us at **(201) 777-0-AYL** (0295). After you submit your health form, please continue registering for Saranac at **register.saranac.camp**. Thank you!
