# INFORMATION FOR STUDENTS

We hope your time at the Summer Getaway will be one of the best weeks of your life! Listed below are some important camp policies which you should know as well as a packing list. We look forward to serving you!

---

## Camp Policies

- **Cell phones are NOT permitted at camp**, but they *are* permitted on the bus. We realize your parents may wish to contact you on your cell phone, but please understand that the camp is remotely isolated in the Blue Ridge Mountains of North Carolina, so as a result very few cell phones actually work at camp. All cell phones will be collected on arrival at Windy Gap and stored in the camp safe for the duration of the week. If your parents wish to contact you, they should call the camp office at **(828) 645-7187** and leave a message for you. If you wish to call home, there are public telephones at camp which you may use for free.
- **Smart watches with cell service capabilities are NOT permitted at camp**. If your watch can make or receive phone calls, please leave it at home. But you should bring a waterproof watch so you know what time it is.
- **Electronic accessories** (*like AirPods, iPad, Nintendo DS, PSP, etc.*) **are NOT permitted at camp**, but they *are* permitted on the bus. There are no locks on cabin doors, so these things can be easily stolen, thus ruining what otherwise would have been a good week for you. If you do bring electronic items like these on the bus, they will be collected on arrival at Windy Gap and stored in the camp safe for the duration of the week. Of course, all items will be returned to you when we depart camp. Just be sure to mark your name on each electronic item.
- **Absolutely NO alcohol, e-cigarettes/juul, hookah, or illegal drugs are permitted**. If you bring any such items to camp, we will notify your parents, and they may be asked to pick you up at camp and take you home immediately.

---

## COVID Concerns

We want this to be a safe experience for everyone! All participants **MUST** take a COVID test on Saturday, July 23 (*within 24 hours of departure*), and confirm that they are **NEGATIVE** for COVID. A rapid test using a home kit is acceptable. Please upload a picture of your negative test results at [aylhealth.com/covid](http://aylhealth.com/covid) on Saturday, July 23. If you do test **POSITIVE** for COVID, unfortunately you will not be able to attend the camp; you will receive a full refund.

Please bring several face masks with you; you may be expected to wear a mask when indoors. If you develop a fever or COVID symptoms at camp, you will be examined and cared for by the camp physician and may be put in isolation depending on your condition. Your parents will be contacted to discuss options.
